MAT WORLD

NEW ZEALAND'S
Matting Specialists

Dry Area Industrial Safety Matting

Diamond Plate Classic

- Tough, durable 4mm vinyl top surface with embossed diamond pattern for foot grip
- Top surface bonded to 12mm foam backing
- Built-in, bright yellow borders along both edges for safety
- Bevelled edge prevents trips.

CODE	SIZES	CODE	SIZES
PMSD2436	0.6m x 0.9m	PMSD3200	0.9m x 22m
PMSD3660	0.9m x 1.5m	PMSD4200	1.2m x 22m

Individual Workstation Mats

Safewalk Economy Mat

- Economy mat for general use
- Low profile moulded-in ramps on all four sides for safety
- Individual workstation size
- Rubber anti-fatigue mat with large drainage holes for excellent drainage.

CODE	SIZES
MG3660BK	1.5m x 0.9m

Wet Areas and General Purpose

U Mat Runners

- Can be cut off the roll to make a "no joint" mat up to 10 metres
- 25mm spaced drainage holes for wet areas
- Nibs beneath give anti-fatigue properties as well as raising holes for good drainage
- Low profile reduces trip hazards.

CODE	SIZES
PMUM0910	Roll 10m x 0.9m
PMUM1810	Roll 10m x 1.8m

Very High Traffic Entrance Matting

Super Brush

- Heavier fibre weight means far greater resistance to wear
- Bi-level design brushes dirt off shoes
- Vinyl backing stops mat distortion
- Great water holding capacity – excellent wet weather mat.

CODE	SIZES	CODE	SIZES
MBHD225CL	25m x 2m	MBHD4872CL	1.2m x 1.8m
MBHD3660CL	0.9m x 1.5m

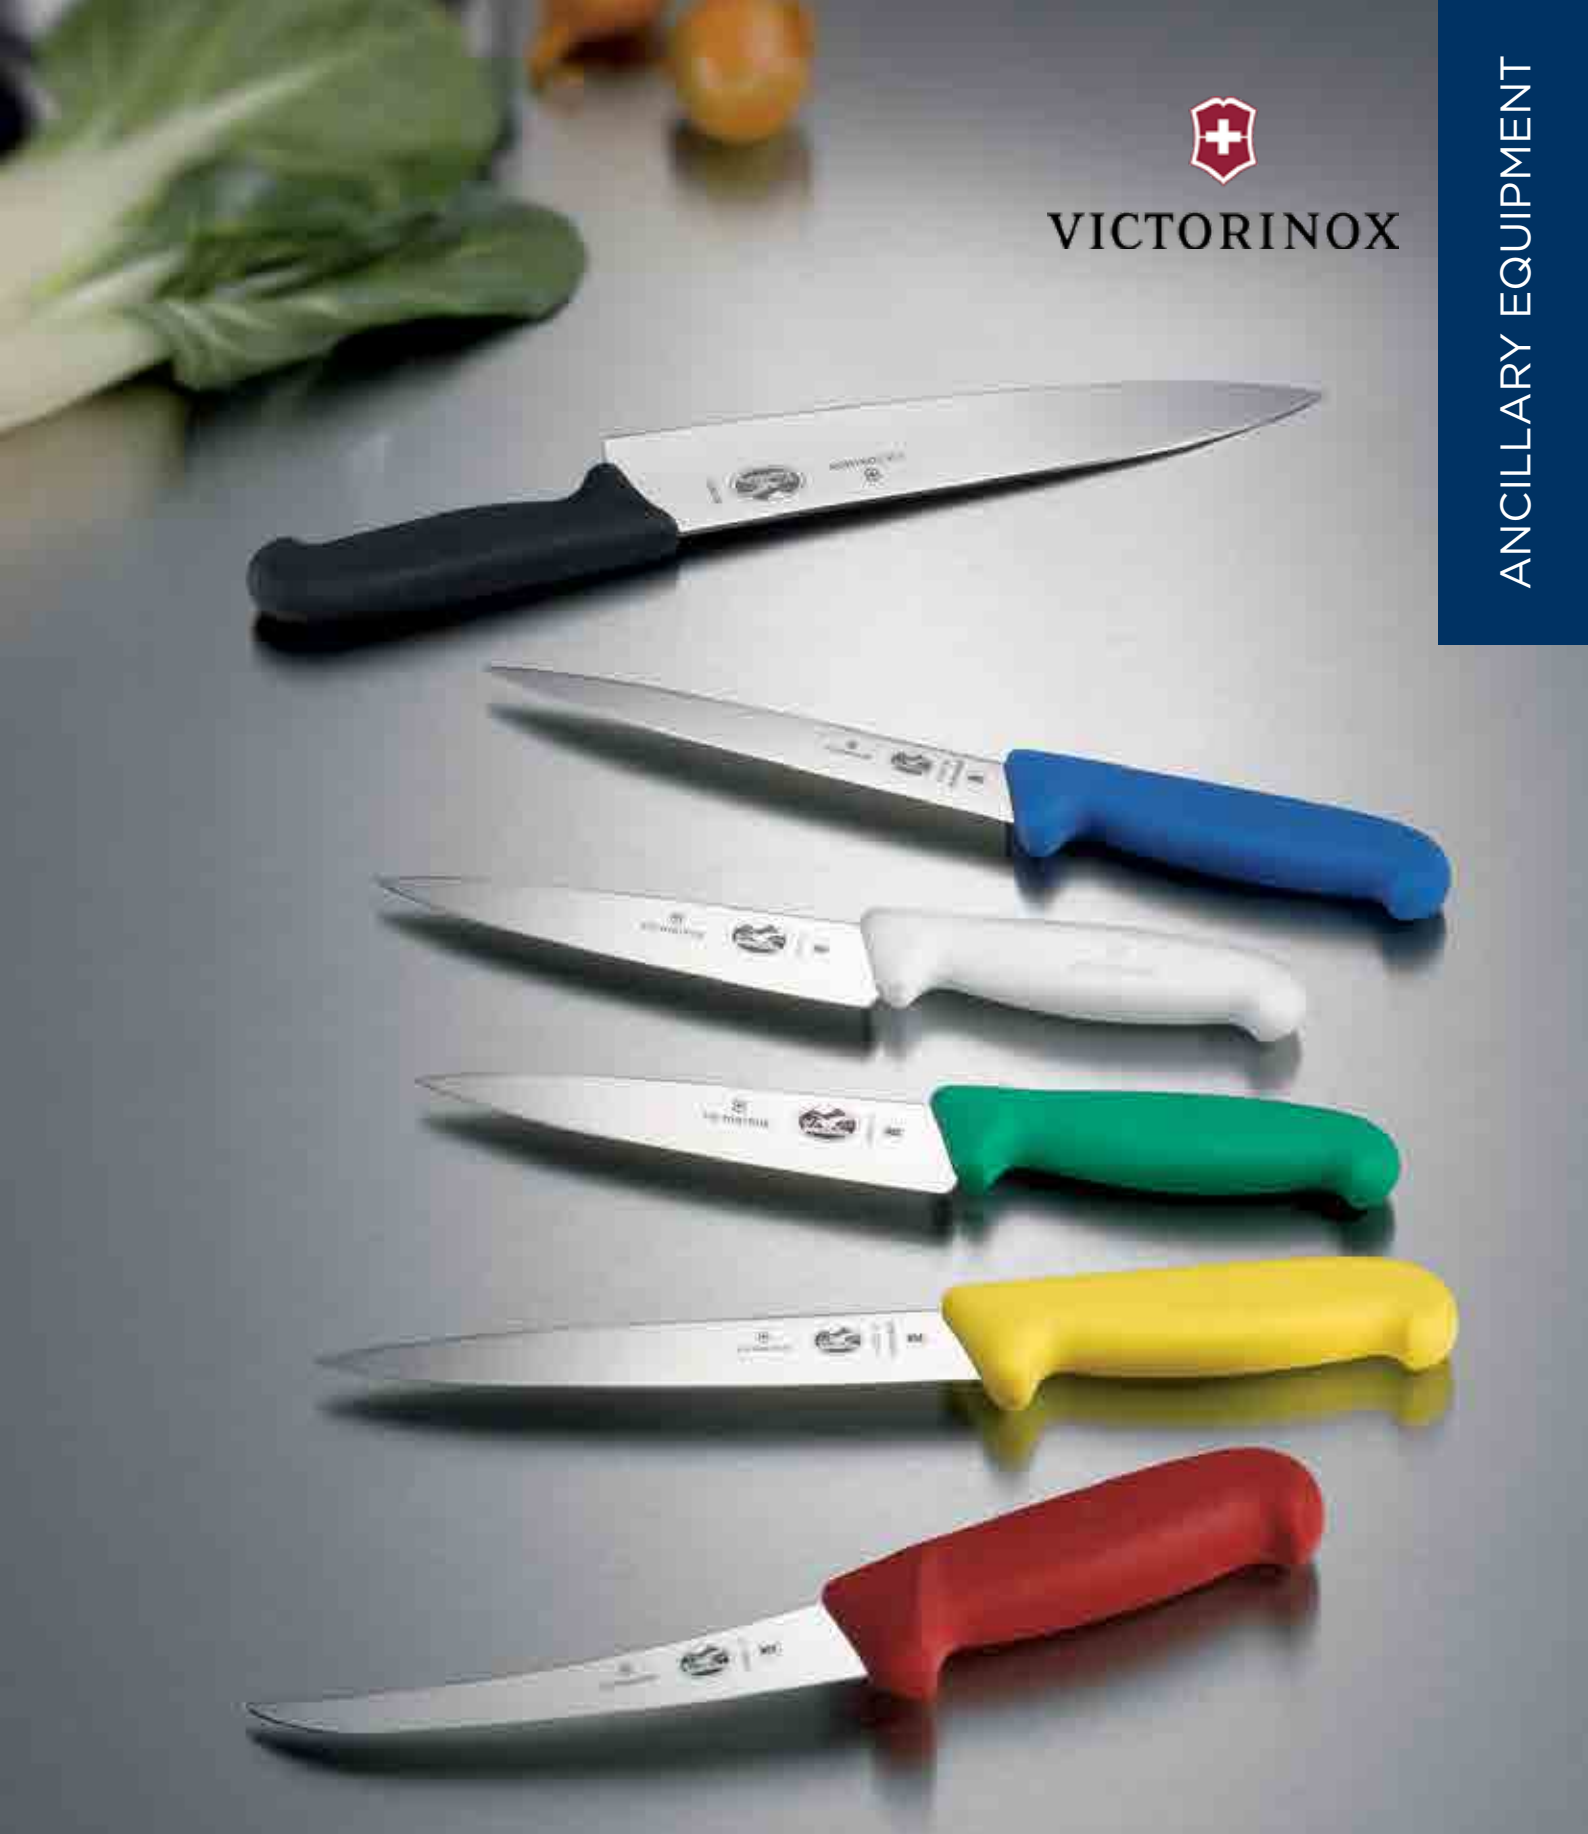
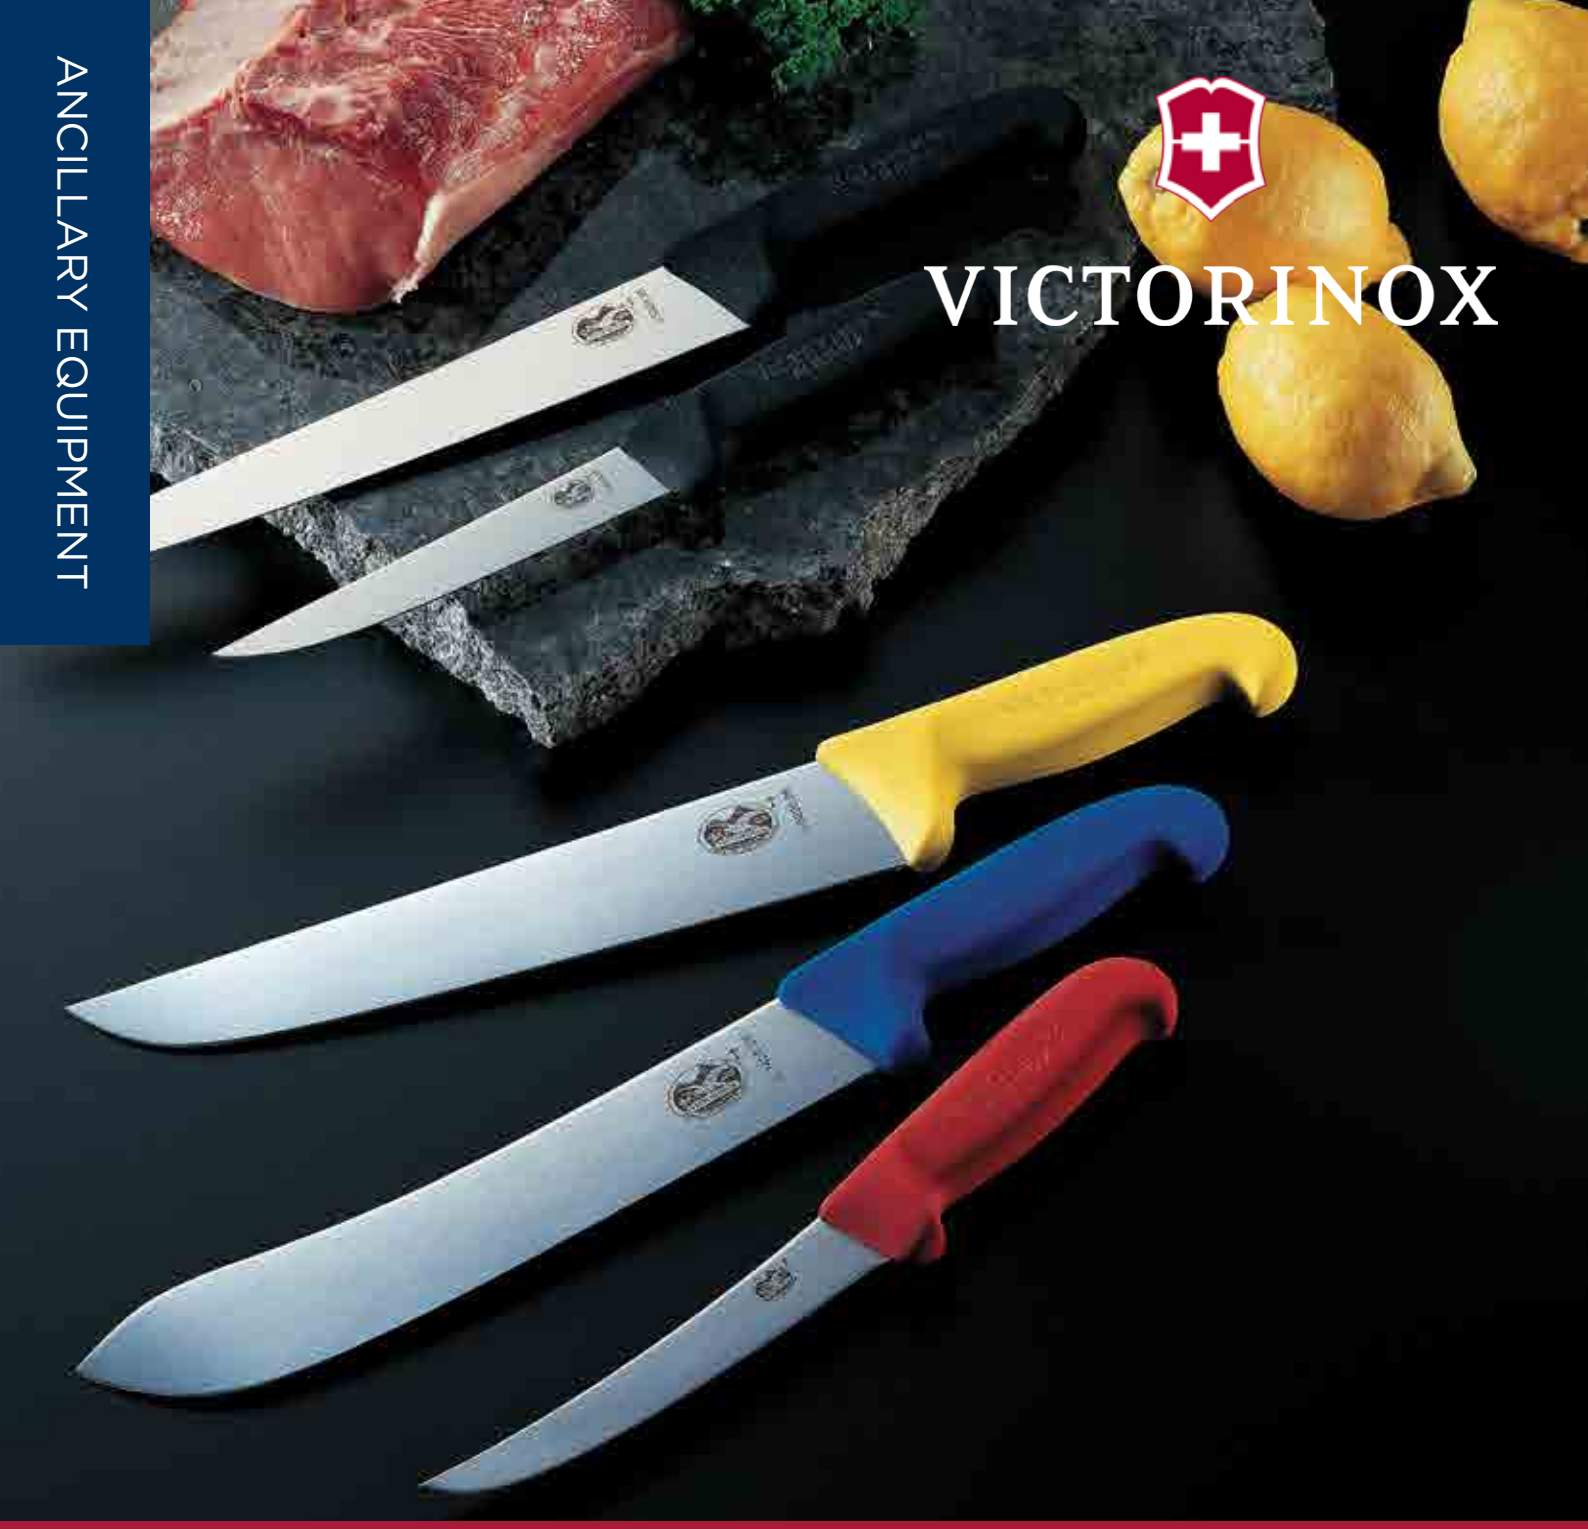
VICTORINOX



INTRODUCING OUR NEW RANGE OF HACCP-APPROVED KNIVES, ALIGNED WITH THE INTERNATIONAL COLOUR-CODING SYSTEM TO AVOID CROSS-CONTAMINATION.



SWISS PRECISION KNIVES
- LOVED BY KIWI BUTCHERS.

YOUR CUSTOMERS EXPECT THE VERY BEST - AND SO SHOULD YOU.

Produced by Swiss craftsmen, Victorinox knives are razor sharp and fashioned to perfection using the finest quality steel, hardened to precise standards and passed through rigorous quality control.

We have knives for your every use - from boning, filleting and steak knives, through to domestic and chef sets.

You simply won't find better quality knives. It's no surprise Victorinox knives are the favourite choice of New Zealand butchers.

DON'T ACCEPT SECOND BEST. CHOOSE VICTORINOX.

FOOD INDUSTRY APRONS

HOW GIESSER MAKES TOP QUALITY KNIVES

1. THE MATERIAL

Raw blades are stamped from first class chrome-molybdenum steel.

2. VACUUM HARDENING

Blades are exposed to the latest high-tech vacuum-tempering process to ensure an even blade, so the knife holds its edge.

3. GRINDING

The first step of the grinding of the blade is a fully automatic precision process. The second step is completed by hand by a master grinder for a perfect finish.

4. POLISHING

Polishing ensures a smooth and flawless finish.

5. THE HANDLE

Giesser knife handles are all ergonomically shaped and slip-proof to guarantee a good grip.

6. HONING

The honing is done by hand to achieve a perfect blade, then the Giesser seal is etched so you know you are using a genuine German-made knife of the highest quality.

NEW BATA SAFEMATE COLOUR OPTIONS

Synonymous with New Zealand industry safety gumboots have been relied upon for decades. From farmer to meat worker, from construction crew to fire crew, our gumboots have built a solid, performance based reputation in the toughest environments.

Proudly New Zealand made safety gumboots takes that performance to a new level. Along with a new refreshing aesthetic, new levels of comfort are provided through enhanced fitting in the foot, toe and calf, and under foot through cushioned dual density Polyou insoles.

- Wide comfortable fitting
- Broad "Natural" toe design
- Wide soft leg for comfort
- Cushioned Hi-poly comfort insole
- Reinforced protective density at the heel, toe, calf and ankle
- Kick off lug
- Cut down guide (300mm)
- Comfort moisture absorbing fabric lining
- Oil acid resistant industrial sole design
- Indoor multi directional tread for slippery surface
- Outdoor tread designed for rough terrain and uneven surfaces
- Multi directional slip resistance
- Thicker PVC shank for strength & support
- Self cleaning tread
- Superior liquid dispersion
